

# RDS Clock Adaptor Board Installation Procedure

## RDS 電波鐘電源適配板安裝步驟

1. The position of the adaptor board will be placed as figure 1 below:-  
電源適配板放置方向就如圖 1 所示

Figure 1  
圖 1

Components are faced up, connection pins are on the right side and the electric wire is on the left side.

零件朝向正面。 電源接觸柱在右方，而電線則在左方。

2. Insert the connection pins first.  
先插入接觸柱一方。

Figure 2  
圖 2

3. Then, press the side with electric wire into the battery case. Make sure the board is held under the metal connector. (As shown in red circle)  
然後，把電線一方壓進電池箱內。 確定電路板壓於金屬片下 (如圖 3 紅圈示)。
